

Community Programs presents

Veggie Garden Coaching Workshop

Kirsten Lints, CPH, of Gardens Alive Design, specializes in Gardens That Make you Smile. During this workshop you will receive helpful documents and resources that will provide you with the knowledge to be able to garden successfully. Additional discussion will be tailored to your needs and can include topics such as:

·garden planning ·soil preparation ·perennial fruit & vegetable crops ·fertilizing & weed control ·fall & winter gardening

Wednesday, March 28th. 6:30 pm to 8 pm

There is no fee to participate.

16530 Avondale Road NE Woodinville
